EXPERIENCE

Prime Digital Academy — *Student*

Minneapolis, MN

May 2018 - PRESENT

Full Stack Software Development Certification

- **Solo Project:** The Loop (Sept. 17 – 28)
  - **The Problem:**
    - The most challenging part of developing a career is managing contacts and references. It's a task that is inconvenient and time consuming for most people.
  - The Loop is an application that allows users to easily request, give, and manage professional recommendations.
  - Technology:
    - React
    - Redux
    - Node.js
    - Amazon Web Services
    - PostgreSQL
- **Group Project:** (Oct. 1 –19)

St.Croix Valley Restorative Justice — *Coordinator*

River Falls, WI

August 2017 - PRESENT

Worked directly with the Executive Director to:

- Develop new programs
- Executive services to meet strategic organizational goals
- Created & implemented Restorative Justice curriculum.
  - For River Falls Public Schools.
- Recruit, train, and manage volunteers

Authored two books:

- Restorative Youth Leadership (2018)
- The Restorative Journal (2018)

EDUCATION

Prime Digital Academy (Minneapolis, MN)
Full Stack Engineering

June 11 - October 26 2018

Prime Digital Academy values hands-on learning from experienced professionals in an environment that encourages a high level of focus.

As a student at prime we learn to create software in an **AGILE**, **team-based** environment, to create real-world products and software solutions.

Academy of Art University (San Francisco, CA)
Master of Fine Arts - Illustration

May 2018

At AAU I studied Commercial Illustration, with a focus on **Graphic Storytelling**. During my program I also studied other topics relevant to commercial design:

- Anthropology Research
- Interactive Media
    - ActionScript
    - Adobe Flash (Animate)
- Visual Development

University of Wisconsin (River Falls, WI)
Bachelor of Science - Broad Area Art

May 2013

During my enrollment in the B.S. program, I focused on **Commercial Design** and **Psychology**. I studied topics relevant topics such as:

- Statistics for Social Sciences
- Cognitive Psychology
- Abnormal Psychology
- Sociology
- Graphic Design

Art Institute of Dallas (Dallas, TX) —
Bachelor of Fine Arts - Graphic Design

2009 - May 2010

As a student, my studies primarily focused on Design, UX, Advertising, and Presentation. I took a variety of commercial design courses:

- User Experience Design
- Information Architecture
- Rapid Visualization
- Digital Imaging
- Presentation Design

Community Involvement

- Mlps Jr. Devs
- JavaScript MN
- Blacks in Technology
